ALFIYA SHAIKH

Mumbai, Maharashtra | +91-8080713022 | alfiya43shaikh@gmail.com | GitHub | LinkedIn

Summary

Data Analyst skilled in Python, SQL, and Power BI, building scalable pipelines and dashboards. Improved reporting efficiency and data accuracy by 30%+ using advanced analytics.

Technical Skills

Programming & Databases: Python (Pandas, NumPy), SQL (Joins, Window Functions), MS SQL Server

Visualization: Power BI (DAX, KPI Dashboards), Excel (Pivot, XLOOKUP), Matplotlib, Seaborn

Concepts: Data Cleaning, EDA, REST APIs, JSON, Statistical Analysis

Tools: Git, GitHub, Postman, Jupyter, VS Code

Additional: Deep Learning (CNN, ConvLSTM), Linux (Basics), SDLC, Agile

Projects

Multi-Exposure Image Fusion Model ***github*** 2025 – Present
Python, CNN (VGG16), ConvLSTM *Deep Learning*

- Built model improving image clarity by 35% using VGG16 + ConvLSTM
- Processed 500+ images increasing robustness by 25%

End-to-End Data Analytics Dashboard ***github*** 2025
SQL, Power BI *Data Analytics*

- Built pipeline reducing manual reporting effort by 40%
- Designed KPI dashboards improving decision-making by 30%

UPI Transactions Analysis Dashboard ***github*** 2024
Power BI, Excel *Data Visualization*

- Analyzed 10,000+ transactions to identify growth trends
- Improved reporting accuracy by 25%

Experience

Design & Development Intern Jan 2026 – Mar 2026
First Home Fintech Solutions *Remote*

- Improved UI increasing engagement by 20%
- Worked in Agile reducing delivery time by 15%
- Documented workflows improving efficiency by 25%

Education

B.E. Electronics & Telecommunication Engineering 2022 – 2026
Vidyavardhini's College of Engineering *CGPA: 8.0*

Leadership

Secretary — ETA Committee 2023 – Present
Departmental Literature Committee

- Led content for 10+ publications reaching 500+ students
- Improved engagement by 30% through simplified technical content
- Reduced publishing turnaround by 20%

Certificates & Achievements

Data Analyst Bootcamp — Udemy

Semi-Finalist — VCET Face-off 2023

Runner-Up — Oscillations Paper Presentation
