DR. JULIAN VANCE

julian.vance@ai-research.edu | Pittsburgh, PA

RESEARCH EXPERIENCE

Postdoctoral Researcher - Carnegie Mellon University (2021 - Present)

· Published 4 peer-reviewed papers on transformer attention mechanisms in NeurIPS and ICML.

TECHNICAL SKILLS

PyTorch, JAX, Python, C++, CUDA, Distributed Training, NLP, Linear Algebra

KEY PROJECTS

FastAttention-CUDA (2023)

· Custom CUDA kernels optimizing long-sequence multi-head attention.

EDUCATION

Ph.D. in Computer Science - Carnegie Mellon University (2016 - 2021)

CERTIFICATIONS

NVIDIA Deep Learning Institute Specialist - NVIDIA (2022)
